Job Description

Job Overview:

As a Sales Manager, you will be responsible for leading and managing the sales team to drive revenue growth and achieve sales targets. You will develop and implement sales strategies, build strong customer relationships, and ensure customer satisfaction.

Key Responsibilities:

1. Develop and implement strategic sales plans to expand the company's customer base and achieve sales targets.
2. Lead, motivate, and manage the sales team to maximize their potential and performance.
3. Identify new business opportunities and market trends to capitalize on growth opportunities.
4. Build and maintain strong relationships with key customers, distributors, and partners.
5. Monitor market trends, competitor activities, and customer feedback to adapt sales strategies accordingly.
6. Collaborate with marketing and product management teams to develop effective sales campaigns and promotional activities.
7. Provide regular sales forecasts, reports, and updates to senior management.
8. Ensure compliance with company policies, procedures, and ethical standards.
